IMPORTANT NOTICE

This is to inform all Departments, Hostels and Canteen of the IMPACT Group of Institutions that notices have been served from the Government body of Solid Waste Management to the Institution with regard to disposal of Solid Waste for the protection of the environment.

In order to comply with the Government orders, all department including hostel and canteen are advised to maintain disposal of waste by segregation of dry, wet, sanitary and e-waste through the in-house disposal mechanism for further collections/disposal.

A Supervisor has been assigned to monitor the waste disposal at various departments and Gate no.2. Since this is a serious issue, all are requested to note and avoid waste disposal at unwanted areas in the campus including the hostel and canteen.

This has the approval of the management, all are advised to note and comply.
